The weekend destinations are: **STOWE, SUGARBUSH, KILLINGTON** and **MT. SNOW.** There is some interest in another Early Season Ski Better / Learn to Ski Week and a Spring trip. We also hope to include some Day Trips and X-Country Trips.

Your New Ski VP, John Scully and Ski Director Joe Maltese are working diligently to have a Tentative Ski Schedule in the **1st Newsletter of July.**

BRAINSTORMING SESSION ABOUT RECRUITING NEW MEMBERS

At the next meeting, we will conduct a brainstorming session around the ideas of recruiting new members. We'll divide into 4 groups each targeting an age category (20 to 30, 31 to 40, 41 to 50 and 51 on up) that we want to recruit. The brainstorming session will be 20 minutes long with each group recording their ideas on a poster page. Then we will all re-group to discuss the different marketing ideas.

MOGUL MEISTER MEMORIES

Scott Higgins is looking for vintage Mogul Meister Ski Club trip photos for the club website. If you have photos of club outings past (way past, preferably with period references like straight skis, mullets or Ford Torinos), dig them out and mail them to Scott or bring them to the next general meeting. If you have your own scanner, scan photos at 150 dpi, save as .jpeg and e-mail them to shiggi7@optonline.net (2MB maximum file size please).

Also, the board is soliciting members to write recollections of Mogul Meister moments for inclusion in the club history. Preferred submission format is e-mail; letters may be edited before being posted. E-mail submissions to Scott Higgins.
