SKI ACTIVITIES

It has been my privilege and honor to serve as the President of the Mogul Meister Ski Club this past year. I had 2 major goals in mind when I accepted the position, which was to increase membership, and to appeal to the younger skiers/snowboarders. I am happy to say that we achieved both this year. Our membership increased significantly, and we had several skiers/snowboarders in their 20's & 30's join us on our trips. Several trips were oversold, and there was an excitement that I had not felt in our Club in several years, as demonstrated in our Apres Ski Season party and trip pictures.

None of this could have been achieved without the support and leadership of an energized Board which made my job easy. A public thank-you to all who served.

I wish Mark and our new Board much success in the coming season, and I will remain as Director-at-Large to assist in any way that I am needed.

We all look forward to sharing a wonderful 2010-2011 Ski Season with you, and have already started to plan, based on your responses to the surveys.

We also have many activities planned for the months in between and hope to see you at the meetings, and activities. Canoe trip scheduled for 5/15/10. Our annual West Point game and Tailgate Party is scheduled for 10/2/10, and there are many other activities in the planning. Please watch the Newsletter for future events.

**Enjoy yourselves,
Marcia**
